

## BRIARMOOR ACDs QUESTIONNAIRE

How did you locate Briarmoor ACDs? Circle one:

Internet  
Australian Cattle Dog Club of America (ACDCA) breeder referral  
Another breeder  
Ad in show catalogue or newsletter  
Other \_\_\_\_\_

How long have you been researching the breed? Are you aware of the training and exercise requirements of the Australian Cattle Dog (ACD) and its general nature?

Why do you feel the Australian Cattle Dog (ACD) is the right breed for you? What are your reasons for wanting to purchase an ACD?

Are you looking for a show dog, companion-only, or obedience or agility prospect, or herding dog? Do you prefer male or female? Blue or red?

From this date, how long will it be before you are ready to purchase a dog?

In what instance(s) would you be unable to keep a dog for life? I.e. marriage, new baby, relocation

Have you owned dogs in the past? What breeds? Have you owned an ACD previously? What has happened to these dogs if no longer owned by you?

Are you financially able to care for a dog now and in the future? The average life span for an ACD is 12-14 years.

Are you married? Children? If so, ages:

How does your family (spouse and kids) feel about getting a cattle dog? Who will primarily care for the dog?

Do you have a fenced yard? How big? If no fence, how do you plan to sufficiently and safely give your ACD daily exercise?

Do you have other pets? If so, what kind? Please list other dogs, their gender, and if altered.

Where will your dog live? i.e. Indoors, outside, combination. How much time will it spend alone either while you are working, or if it is left outdoors?
